

UTEKO

WORLD OF AUTOMATION

sense connect control drive support

Thermocouple cable type J
2X1,0 mm²
PVC-PVC (Flat Twin)

Code: 1-00-50-25-02-5

Special construction

Cable Design

Stranded conductors

Thermocouple cable type J

No of wires per wire diameter : 12X0,32

Colour code according acc IEC

Alloy calibration in according to ASTM E 230 class 1

Conductor Insulation: colour coded flame retardant PVC

Core laying up: flat twin

Outer Jacket: Color coded flame redundant PVC

PACKING: WOODEN DRUM MT1000
